

**WE NEED YOU!**

## **Prep PSO positions available for 2020-2021**

Dear Cicero Prep Family~

Hoping this finds all well and staying healthy and out of harm's way.

Our ***Cicero Prep Parent Service Organization(PSO)*** continues to expand to include new events, and opportunities to strengthen our community, support our classrooms, and always, support our teachers. Despite ending the year as we did, we have been fortunate to plan and execute many fun events this year, and look to continue the stride next year to host even more.

Cicero Prep PSO could not achieve these events without the help from our many wonderful families and volunteers that so generously give of their time. A big shout out and thank you to all of those parents, grandparents, guardians, and caregivers who gave so generously of their time to make this year a success! Great things were accomplished and it was because of **YOU!**

The role of parent involvement at school is still very much needed and Cicero Prep is unique in that all parents are automatically members of the PSO, all are welcome and there are many opportunities to join the team, after all, it does take a village.

**The following PSO leadership roles are needing to be filled for the 20-21 year:**

1. **Role of Assistant Treasurer**-this individual will shadow and learn with our current Treasurer and attend monthly board meetings with the goal to ultimately take over the position of Treasurer.
2. **Passive Revenue Lead (Board position)** - this individual will work with a team to create, plan, and execute passive revenue generating opportunities that will ultimately help support the many different community, classroom, and teacher events as PSO holds throughout the year.
3. **Hospitality Lead(Board position)**- this individual will work with their team and parent ambassadors to plan and execute events such as luncheons and breakfasts for students and teachers.
4. **Season of Gratitude Lead**- this individual will work with the Board to plan, and run with our Season of Gratitude campaign which goes 100% to benefit our teachers. This campaign, formerly known as "Snowstorm", is held from the end of October to mid-November. This is a great way to be involved in one of the more impactful events we oversee.

If you are interested in these positions, volunteering or would like more information about any of these leadership opportunities, please reach out to me, Christy Harrison, at [preppresident@ciceropso.org](mailto:preppresident@ciceropso.org).

*Thank you for your support and help in making Cicero Prep the amazing place that it is. Have a very safe and happy summer and see you in August!*
