

# HIGH SCHOOL CHOIR UNIFORM INFORMATION

Cicero Prep: Fine Arts Night

A truly excellent musical ensemble, as our Cicero Prep students have come to be through their semester of training, shows its caliber through its appearance as well as its sound.

This means all high school music ensembles will have sophisticated attire for the concert, consistent with the standard for all high school choir programs across the state. With these uniforms, the mismatched nature of previous concerts will be avoided, and instead the importance of the music and the student's improvement and hard work will be highlighted.

Each student's uniform is determined by the ensemble they are in. Students will dress in accordance with the most advanced of the ensembles to which they belong (i.e. a student in both music class and Concert Choir should wear the Concert Choir uniform). Please refer to the images below for more specific information for your student.

Rental fees will cover the cost of dry cleaning and storage. Students in the extracurricular choirs have already paid the fee as part of the course tuition.

A rental agreement must be on file for all students who receive a school-issued uniform, both curricular and extracurricular.

Students in the following ensembles will receive a school-issued rental uniform:

- Chamber Singers
- Women in Concert Choir
- Men's Choir & Men in Concert Choir (bowtie only)
- Bella Voce
- Women in Music Class

Men in all ensembles except Chamber Singers must provide their own uniform in place of the school rental.
